### **Georgianne Doyle hired as Technical Services Manager**

**Geauga County – July 23, 2015** – Geauga County Public Library is pleased to announce that Georgianne Doyle has been hired as Technical Services Manager for the entire GCPL system. In her role, Ms. Doyle is responsible for high-level collection decisions including materials selection and processing, research database maintenance and digital collection development. She runs a staff of 15 members from the GCPL Administrative Center.

Ms. Doyle joins GCPL with an extensive background in library service. In her most recent position, she was a Technical Processing Librarian at Rodman Public Library in Alliance, Ohio. She served at Cuyahoga County Public Library as the Catalog Department Manager, Cataloging Supervisor, Music Supervisor and Public Services Librarian over a span of 24 years. She also has library experience at Case Western Reserve University's Kulas Music Library, and at Youngstown Public Library as well. She holds a Master's degree in Library Science from Kent State University. Most of her service is in public libraries but she also has experience in academic libraries, special collections and with organizing personal libraries.

"Georgianne's understanding of collection development and processing is impressive," says GCPL Director Deborah F. O'Connor. "Not only does she demonstrate a deep knowledge of cataloging and collection development, she's also in tune with her staff. She works closely with personnel in our buildings and wants to continue building a dynamic collection that appeals to our patrons' varied interests. We are all extremely pleased to have Georgianne on our team."

Ms. Doyle is an avid dog owner, with houseful of Australian shepherds, Nova Scotia duck tolling retrievers and Chihuahuas. "And cats because all librarians have cats," she says with a laugh. "In all seriousness, I came out of retirement just to be here. Geauga County Public Library is a great place and I'm thrilled to have an opportunity to work here."

## **About the Geauga County Public Library**

The Geauga County Public Library includes four full-service community libraries in Bainbridge, Chardon, Chesterland (Geauga West) and Middlefield; two library stations housed in schools in Newbury and Thompson; one Bookmobile that serves farms, nursing homes and nursery schools; and one administrative center where technical services, computer services, facilities and administrative functions reside. GCPL has more than 610,000 books and eBooks. The collection also contains more than 100,000 audio / video items and 109 research databases available through its website. GCPL is a member of the SearchOhio / OhioLINK consortium, giving patrons access to more than 66 million items.
