

Geauga County Public Library  
Operating Policy Manual

SECTION: HOSPITALITY  
SECTION NUMBER: 392  
EFFECTIVE DATE: January 21, 2014  
PAGE: 1 of 1

The purpose of the Hospitality Policy is to maintain consistent procedures for expenses regarding holding meetings, special events, cultural programming and entertaining guests.

Hospitality may be provided on certain occasions, such as hosting employee in-service days, workshops, guest speakers, or special celebrations. Working breakfasts, lunches, or dinners should be considered as exceptional occurring only when a meeting spans that time period. Inexpensive refreshments are provided, at library expense, at Library Board meetings and are arranged by staff in the building hosting the meeting.

**Exceptions**

If there are good reasons for providing hospitality at the Library's expense in circumstances other than those described above, advance approval from the administration is required.
