Operating Policy Manual

SECTION: HAZARD COMMUNICATION
SECTION NUMBER: 525
EFFECTIVE DATE: June 20, 2017
PAGE: 1 of 1

All communications within the library system that relate to hazardous chemicals must be open to all staff. Hazardous chemicals are defined in Occupational Safety and Health Administration's (OSHA) standard, 29 CFR 1910.1200. It is the Library's intent to fully comply with the standard and any local laws by township, city, village or state relating to hazard communications.
