

Geauga County Public Library
Operating Policy Manual

SECTION: BOOK DROPS
NUMBER: 752
EFFECTIVE DATE: February 16, 2010
PAGE: 1 of 1

Book drops are provided for the convenience of library patrons returning library materials.

Library staff will empty the book drops as needed. If a patron finds that a book drop is full, the patron should keep the materials (and not leave the materials outside the book drop) and return the materials later when the library is open or when the bookdrop has been emptied. Patrons are encouraged to report full book drops to library staff.
