Miller's book is an homage to the gifted team of singers, actors, musicians, songwriters, executives and crew members who were a part of both the show and the music. It also contains notes on the music from each recording session, including alternate editions of multiple songs and never-before-released music from the show.

Miller, who hails from Canton, Ohio, has always been a passionate fan and supporter of the Partridge Family and their music. He is an actor, concert and theatre producer, and director who has worked on shows such as *Desperate Housewives*, *Rules of Engagement*, *King of Queens*, *CSI: New York*, *Cold Case*, *Without a Trace*, *The O.C.*, and *E.R.* Miller has also staged live concert performances with the likes of Davy Jones and David Cassidy.
