New Clevnet mobile app now available

Functionality provides a user-friendly experience

Geauga County - Feb. 16, 2018 – Geauga County Public Library is pleased to announce that Clevnet has launched a mobile app that makes it easy for patrons to search the collection, place holds and manage their library accounts.

Features include:

- A searchable collection, with the ability to place holds and manage “My Account”
- Physical and digital (Overdrive / Libby) titles available in searches and “My Account”
- Linked Accounts – manage account information for a family member
- Nearest libraries feature – find directions and contact information for the nearest library
- A virtual library card for primary account and linked accounts

The app is supported by both [Apple](#) iOS version 8 or higher as well as all [Android](#) devices.

Visit any GCPL location for assistance downloading the app or with any questions about its use and features.

About the Geauga County Public Library

The Geauga County Public Library includes four full-service branches in Bainbridge, Chardon, Chesterland (Geauga West) and Middlefield; two library stations housed in schools in Newbury and Thompson; two Bookmobiles that serve rural areas and community centers; a Lobby Stop vehicle; a car for homebound patrons; and an administrative center where technical services, computer services, facilities and administrative functions reside. GCPL has more than 750,000 books and ebooks. The collection also contains more than 100,000 audio / video items and 400 research databases available through its website. GCPL is a member of the Clevnet consortium, giving patrons access to more than 12 million items. Learn more about the Geauga County Public Library at the [GCPL website](#).
