GCPL Library materials are loaned to registered borrowers for twenty-one (21) days with the exception of DVD/Blu-ray, video games, no-hold items. Special items, such as reference materials or high demand items may not circulate except with the permission of the staff and are governed by procedures set forth by Library administration.

LOAN PERIODS:

GCPL is a participating member of the Clevnet consortium and abides by the consortium's circulation policies and guidelines which may differ from GCPL's circulation policies and guidelines. The consortium agreement specifies that no exceptions to loan periods may be made beyond those established in the policies and guidelines for the program. Therefore, staff will not manually override loan periods or due dates.

GCPL materials may be loaned to other libraries (for use by their patrons) through a variety of interlibrary loan consortia and services in which the library participates. GCPL will follow the policies and guidelines agreed upon by participants in these sharing programs and services.

GCPL may elect not to loan certain items from its collection based on local patron demand, number of items in a specific collection or other reasons.

RENEWAL OF MATERIALS:

Most physical items are automatically renewed 5 times (digital materials are not eligible). This service will be more convenient and potentially reduce overdue fines on items from other library systems. Materials will automatically renew one day before an item is due. Materials will not renew automatically if:

Someone else has placed a hold on the item

- The item has reached its renewal limit
- Your account is blocked due to excess fines and fees
- It is a non-holdable item

Interlibrary loan and Clevnet material loan periods and renewals are determined by the policies of the owning library and may differ from GCPL policies. GCPL honors and upholds the circulation policies of the owning library.

FINES:

GCPL has eliminated overdue fines on most items. Exceptions are New DVD/Blu Ray, New Video Games, Telescope, and items that belong to other libraries.

When a patron account reaches \$15, the account will be blocked until the overdue items are returned.

Patrons can renew most books and movies 5 times. However, if the patron has 50 or more items overdue, the account will be blocked until the items are returned.

Items exempt from Fine Free Policies that are checked-out (borrowed) and then checked-in (returned) after the due date are assessed the following late fines per item to the borrower:

New DVD and New Blu-Ray	\$1 per day, maximum of \$3
New Videogames	\$1 per day, maximum of \$3
Reference Materials	\$1 per day, maximum of \$3
Telescopes	\$5 per day, maximum of \$25

Fees for lost materials are assessed after an item is 42 days overdue.

GCPL belongs to the Clevnet Consortium and abides by the consortium's circulation policies and guidelines, including fees

GCPL upholds the circulation policy and loan periods for items owned by CLEVNET member libraries, OCLC and any other loaning consortium although they may differ from the loan periods of Geauga County Public Library.

CHARGES FOR LOST AND/OR DAMAGED ITEMS:

Fees are charged to a patron's card when an item is lost or damaged. Fees are assessed based on the cost of replacement of the item and are governed by the procedures set forth by the Library administration.
