GCPL Offering Tours of Thompson Branch Set to Open in Late October

Geauga County – October 5, 2020 – We are excited to announce that our new Thompson Branch is near completion and scheduled to open in late October.

Since we are unable to hold a grand opening in the traditional sense, we are planning an alternative virtual commemoration with video speeches and commemorations from Geauga County and Thompson community leaders. Before that, we are offering a series of sneak preview tours in small groups. We invite you to join us in our celebration of this Geauga County milestone.

We will be offering tours for groups of five people prior to the day we officially open the doors for service. To register for a tour, go to www.GeaugaLibrary.net and click on "Programs." The tours will last about 30 minutes and will be scheduled during the following times:

October 12 - 16, Monday - Friday

10 a.m. and 2 p.m.

October 17, Saturday

10 a.m., 1 p.m., and 3 p.m.

October 19 - 21, Monday - Wednesday

10 a.m. and 2 p.m.

The address of our new Thompson Branch is 6645 Madison Rd., Thompson, Ohio 44086. Facial coverings and social distancing will be required during the tours.

"We are excited to see the completion of the Thompson Branch, and while we wish we could hold a more traditional grand opening, the times don't allow that. Still, we will do our best

to celebrate this momentous occasion, and we look forward to offering this dynamic new building to our community for years to come,” Says GCPL Director Ed Worso.
