Geauga County Public Library Moves to Contact-free Pickups

Geauga County – December 11, 2020 – In light of the rising number of COVID-19 cases locally, and in accordance with the Stay Safe Ohio Protocol, Geauga County Public Library will be moving to contact-free pickups beginning Tuesday, December 15. Limited, one-hour computer sessions, which must be made by appointment, will be the only in-person services offered at this time. Book drops remain open and returned materials will continue to be quarantined for 96 hours.

We prioritize the health and safety of our staff and residents and want to do everything in our power to slow the spread of the coronavirus. We appreciate your patience and understanding during these continually difficult times. We will continue to monitor the situation, taking cues from local and state representatives, and will update the public as soon as we are prepared to re-open for our regularly limited in-person services. To book a computer appointment, call your local Branch or check www.GeuagaLibrary.net.

Hours for contact-free pickups are as follows:
